## HISTORY

BestJunior.com's conception was a vague idea in June of 2005. The Junior Show fancy at the time had no resource to find junior showmanship statistics. By September of 2005, a plan was in motion to obtain a web provider, purchase an annual subscription of the AKC Awards Book, order back issues of the AKC Awards Books (through December of 2004) and decide on a domain name – on September 21, 2005 **BestJunior.com** was born!

Those last 3 months in 2005 were a whirlwind of leafing through pages of Awards Books, desperately learning Excel and setting up trial spreadsheets. Mistakes were made and a great deal of experimenting went on before a reliable system was found.

2006 - 2009 saw remarkable growth for the website. BestJunior grew from a statistics only website to our goal of helping juniors connect with each other, express and exchange ideas, provide parents, kennel clubs and all other interested individuals with a reliable source of information and promote the sport of showmanship amongst Junior Handlers. In 2006 the 1st Annual BestJunior Recognition Program was launched to acknowledge the #1 junior in every Breed handled in the Junior Show ring. The Logo Contest supplied BestJunior with an official logo and offered over \$200 in MB-F gift certificates.

In 2007 a Performance/Companion Events Point Schedule was finalized and statistics are now maintained for those juniors who compete in these events. The 2nd Annual Junior Recognition Awards included Performance and Companion Events and the Total Junior Award (recognition for those juniors who compete in a minimum of 3 Performance/Companion events and in the Junior Showmanship ring). In 2008 and 2009, BestJunior hosted a banquet and an Annual Awards Ceremony which took place during the weekend prior to Westminster Kennel Club show.

The website has been redesigned and is active and it is my sincere hope will once again be accessed and utilized by juniors. Companion and Performance Points schedule has been revised to include Coonhound Events, Coursing Ability Tests, FastCAT, Scent Work, Farm Dog and AKC Temperment Test. Therapy Dog and Trick Dog Titles are under review.

## BestJunior.com - HOW WE CALCULATE POINTS 2021

**IT IS THE RESPONSIBILITY OF EACH INDIVIDUAL JUNIOR TO MAINTAIN** their **OWN SHOW RECORD** This is the only way to ensure 100% accuracy in annual rankings and statistics. Errors are found in AKC reporting and by the superintendants, and data entry therefore juniors should maintain their own records in order to cross reference.

**Please Note:** *Limited/Invitational Junior Competitions are **not** included in BestJunior.com statistics.*

### OVERALL

*Qualifying dates: January 1 - December 31*

**OVERALL** counts all points earned while competing in Novice and Open Classes (Senior, Intermediate and Junior) and Master Classes at all AKC shows, (Limited/Invitational Junior Showmanship Competitions are not included in BestJunior statistics\*). Statistics are compiled using every win and 2nd thru 4th placements, including Best Junior and Reserve Best Junior points. Competition need not be present in the individual classes, if the junior wins Best Junior Handler for points to be awarded. However there must be class competition in the Best Junior ring for Best Junior Handler and Reserve Best Junior Handler awards to be counted. One (1) point is awarded for every competitor defeated. Statistics are given by Total Defeated, All-Breed, Specialty and Reserve Best Junior wins and the number of 1st, 2nd, 3rd and 4th placements (with competition present ). To maintain your Overall Top 30 ranking carry over monthly totals from your Junior Records page.

### GROUPS

*Qualifying dates: January 1 - December 31*

**GROUP** counts all points earned while competing in Novice and Open Classes (Senior, Intermediate and Junior) and Master Classes at all AKC shows, (Limited Junior Showmanship Competitions are not included in BestJunior statistics) separated by each Group: *Sporting, Hound, Working, Terrier, Toy, Non-Sporting, Herding and Miscellaneous* . Statistics are compiled using every win and 2nd thru 4th placements, including Best Junior and Reserve Best Junior points. Competition need not be present in the class, if the junior wins Best Junior Handler/Reserve Best Junior Handler for points to be awarded. One (1) point is awarded for every competitor defeated. If a junior shows multiple breeds within the same group, points will be totaled within that same group.
